

## PERSONAL CAREER MANAGEMENT PICKED OUT AS BEST IN THE FIELD

Personal Career Management has joined forces with Telegraph Media Group (TMG) as it relaunches its recruitment website, Telegraphjobs ([www.telegraph.co.uk/jobs](http://www.telegraph.co.uk/jobs)), to expand its career platform.

The site, with almost 800,000 unique users\*, is committed to providing its readers with the best opportunities in the market place. As part of this, there will be expert advice from the likes of James Caan and Duncan Bannatyne and to provide top CV and Career Management tips, TMG has chosen Personal Career Management.

Nigel Leigh, Digital Manager, Classified, Telegraph Media Group (TMG) is very pleased by the selection of Personal Career Management.

"We wanted the best in the business to work with us and looked at a large number of companies before selecting Personal Career Management. We feel they provide a quality service and are very current in their techniques, which is vital in today's challenging job market. As such, they have a huge amount to offer the Telegraph's readers".

Corinne Mills, Personal Career Management's Managing Director is thrilled that the company she started six years ago has had such positive endorsements. "We are delighted to be working with TMG on this very exciting project. We believe that our shared values mean that readers will really benefit from the sort of advice and career coaching support that we offer on Telegraphjobs. In the most challenging job market conditions for decades, readers can expect first-class career support. "

Personal Career Management is the choice for many high flying executives and senior management whether they are being made redundant, want a change of career or simply feel they want to be in more control of their own career. They demand the best in professional services and recognize that Personal Career Management holds a unique position in the career management market, offering a results focused, personal service where each client has their own expert career coach.

ENDS

### **Notes to Editors:**

**Personal Career Management** Ltd was established By Corinne and Jonathan Mills in 2003. Working with both individuals and large corporations, the company helps individuals:

- Explore their career options to make informed career decisions
- Market their skills effectively to obtain the role they want
- Strategically plan their career and position themselves for future opportunities
- Meet current or recurring work-place challenges

And helps corporations:

- Facilitate positive exits for those whose future lies elsewhere
- Improve the retention of key staff, skills and experience
- Enhance work performance and productivity

## **Interviewees:**

Corinne can provide commentary, information or articles on a range of career-related topics from both the employer's and employees perspective including:

- Working mothers
- Home-working
- Starting your own business
- Handling your boss
- Asking for a pay rise
- Bullying at work
- How to get promoted
- Effective management and leadership
- Poor performance
- Coaching - including how to select a coach
- Work-life balance
- Job hunting

Corrine Mills is the author of bestselling CV book "You're Hired! How to write a brilliant CV" - <http://www.amazon.co.uk/Youre-Hired-CV-write-brilliant/dp/1844551776>
